

Want to Learn More About a Career in Forestry?

The Association of BC Forest Professionals' (ABC FP's) START program is offered to high school and post-secondary students to give you a head start on a career in forestry. All forest professionals in BC including Registered Professional Foresters and Registered Forest Technologists belong to the ABCFP. What better place to learn about what's going on in forestry today?

Here's How...

Join START and take advantage of these great benefits:

- Subscriptions to our bi-monthly magazine, **BC Forest Professional**, and bi-weekly E-newsletter, **The Increment**, and other association publications.
- Networking opportunities through workshops, conferences and an established Network of Forest Professionals.
- Discounts at conferences and workshops offered through the ABCFP affinity program.

How Much?

It only costs \$20 (plus HST) a year to join START — a small investment in your future.
