

Position: Forestry Student, Forestry Technician (RFT or FIT)

Term: Seasonal / Seasonal Full Time

Job Description:

Hedberg and Associates Consulting Ltd., based in Squamish BC, is a diversified forestry and natural resource management company. The company draws from a wide range of forestry experience which has allowed the firm to branch out into many resource sectors. The firm provides consulting services to the independent power sector, telecommunication and transmission/distribution line industry. Hedberg and Associates continues to specialize in developing harvesting operations, operational planning, cutting permit applications and appraisals, including field layout of roads and cut blocks, silviculture, ecology and forest management.

We are a growing company looking for forestry and field technicians. The successful candidate should have forestry experience, have completed or be enrolled in a post secondary forestry program. We are a highly motivated group of individuals and will provide employees the opportunity to develop the skills necessary to advance in the forest and resource industry.

Employees will be responsible for completing or assisting in the following: road and boundary layout/traversing, riparian layout and boundary marking, GPS data collection, site plan data collection, transmission and distribution line layout and transmission line vegetation management.

The position will be predominantly field based with work in all types of weather and terrain. We are a local company but will require some work to be completed in remote locations.

Candidates must be registered with the ABCFP (or eligible for registration) as a FIT or a forest technologist (RFT/TFT).

Salary: Commensurate with education and experience.

Job Qualifications:

- Proficient with a compass, clinometer, GPS and other basic forestry field equipment.
- Valid BC Drivers License.
- Healthy, fit individuals who are able to complete work in a variety of outdoor environments.
- Forestry experience, knowledge or training.
- Familiarity with Road Eng, Word and Excel would be an asset.

Application Instructions:

Application deadline for all positions will be **March 31, 2010**. All individuals who apply will be contacted. Please email resumes with a cover letter and two references to info@hedbergassociates.com.
