Personal Activity Record

ABCFP Continuing Education Program

ASSOCIATION OF BC FOREST PROFESSIONALS

Category 1

(60 hours minimum, 150 hours maximum)

Organized course work or activities in forestry or related subject matter including silviculture, forest pest management, habitat management, urban forestry or forestry policy. Included are seminars, short courses, and workshops conducted or sponsored by public or private organizations, as well as sessions sponsored by the ABCFP, Canadian Institute of Forestry (CIF) and other meetings or conferences. Credit will be approved only for subject matter directly related to forestry or forest resources. Credit accrues at the rate of one hour for each hour of actual contact.

*Note: Members may acquire all 150 contact hours in this category. However, you are urged to spread your activities over several categories.

ASSOCIATION OF BC FOREST PROFESSIONALS

Category 2

(60 hours maximum)

Other organized course work or activities not specifically forestry or forestry-related which are professionally enriching or directly of benefit to your present position. Examples include voluntary peer review (element two of the ABCFP continuing competency program), course work in areas such as computer science, accounting, law, business, managerial and leadership skills, pubic speaking or resource management. Credit accrues at the rate of one hour for each hour of actual contact.

Category 3

(60 hours maximum)

Course/workshop development, preparation and presentation, and/or the preparation, writing and publication of forestry or forestry-related subject matters beyond an individual's normal job duties. In courses or workshops, credit accrues at the rate of two contact hours for each hour of presentation. In publications, credit accrues at the rate of fifteen contact hours for each publication requiring technical review, five contact hours for an article or 10 contact hours for a series of articles of a substantial nature in BC Forest Professional magazine, other magazines, newspapers or journals.

Category 4

(60 hours maximum)

Self-improvement in forestry or forestry-related subjects. Included are self-improvement through publications, teleconference and audio-visual presentations in technical forestry matters beyond an individual's job duties. As well, participation or attendance in meeting, events or activities such as tree improvement committees, Network of Forest Professionals (NFP) involvement, or other technically-based activities also qualify. Credit accrues at the rate of one contact hour for each hour of activity.
