

## Pencils and Pine Combine in Celebrating National Forest Week

**WHAT DOES THE FOREST MEAN TO YOU?** That's the question over 1,300 kids answered this September when they submitted their National Forest Week Art Contest drawings. This event, sponsored by the Truck Loggers Association, the BC Forest Safety Council and the ABCFP, was part of the ABCFP's National Forest Week celebration.

Each category had a winner and two runners-up. The winners received a \$50 gift certificate to Chapters and all the kids received a certificate of achievement. Thank you to everyone who took the time to submit a drawing. Picking the winners was very difficult—so many of the drawings were outstanding. 🌲
